In the event the SBOF’s disclosure counsel or bond counsel is unable to perform, the SBOF’s Tax Counsel may also provide services typically performed by a firm serving as disclosure counsel or bond counsel.

B. BACKGROUND INFORMATION

The “SBOF” issues General Obligation Bonds, Severance Tax Bonds, Supplemental Severance Tax Bonds and other bonds. The SBOF also: approves financing plans for bond issues and interest rate exchange agreements of state agencies and instrumentalities, universities and local governments; publishes studies, reports and policies relating to fiscal matters; and has many other responsibilities related to “general supervision of the fiscal affairs of the State” (NMSA 1978, 6-1-1). Members of the SBOF are the Governor, Lieutenant Governor, State Treasurer, four public members appointed by the Governor with the advice and consent of the Senate, and the Cabinet Secretary of the Department of Finance and Administration (DFA), who is a non-voting member.

The initial contract for the prescribed scope of work shall be for a period of four years, effective on April 1, 2020, with a termination date of March 31, 2024. There are no options to extend or renew the contract, as the contract entered into, including any renewals thereof, shall not exceed a total duration of four years. This procurement may result in a multiple source award, in the event a joint proposal from multiple firms is submitted and awarded.

B. EXPLANATION OF EVENTS

The following paragraphs describe the activities listed in the sequence of events shown in Section II. A., above.

1. Issuance of RFP

This RFP is being issued by the SBOF on the date specified in the Sequence of Events. In the interest of making it easier for Offerors to prepare responses, Offerors can download the RFP in an electronic format by accessing the Board of Finance website at: http://nmdfa.state.nm.us/Request_for_Proposals.aspx. Additional copies of the RFP can be obtained from the Procurement Manager.

2. Acknowledgement of Receipt and Distribution List

The Acknowledgement of Receipt of Request for Proposal Form is required in order to be considered for the bond counsel contract. Potential Offerors should hand deliver, return by facsimile or registered or certified mail the "Acknowledgement of Receipt of Request for Proposal Form" that accompanies this document, APPENDIX A. The Acknowledgement of Receipt Form will also place the Offeror on the procurement distribution list. The procurement distribution list will be used for the distribution of written responses to questions.

THE ACKNOWLEDGEMENT OF RECEIPT FORM SHOULD BE SIGNED BY AN AUTHORIZED REPRESENTATIVE OF THE ORGANIZATION, DATED AND RETURNED TO THE PROCUREMENT MANAGER NO LATER THAN 3:00 PM MST OR MDT ON DECEMBER 9, 2019. Forms received after this deadline will not be accepted. Failure to return the Acknowledgement of Receipt Form shall result in rejection of the Offeror’s proposal. The date and time of receipt will be recorded on each form.

3. Deadline to Submit Written Questions

Potential Offerors may submit written questions to the Procurement Manager as to the intent or clarity of this RFP until 12:00 pm, December 11, 2019, Mountain Standard Time/Daylight Time as indicated in the sequence of events. All written questions must be addressed to the Procurement Manager as declared in Section I.D. Questions shall be clearly labeled and shall cite the Section(s) in the RFP or other document which form the basis of the question.

4. Response to Written Questions

Written responses to written questions and any RFP amendments will be distributed via email on the date specified in the Sequence of Events to all potential Offerors whose organization’s name appears on the Procurement Distribution List. An Acknowledgment of Receipt Form will accompany the distribution package. The form should be signed and dated by the Offeror's representative and returned to the Procurement Manager by hand delivery, email or by registered or certified mail, by the date and time indicated thereon. Failure to return this form shall constitute a presumption of receipt and withdrawal from the procurement
process. Therefore, the Offeror’s organization name shall be dropped from the Procurement Distribution List.

5. Submission of Proposal

ALL OFFEROR PROPOSALS MUST BE RECEIVED FOR REVIEW AND EVALUATION BY THE PROCUREMENT MANAGER OR DESIGNEE NO LATER THAN 12:00 PM MOUNTAIN STANDARD TIME/DAYLIGHT TIME ON DECEMBER 18, 2019. Proposals received after this deadline will not be accepted. The date and time of receipt will be recorded on each proposal.

Proposals must be addressed and delivered to the Procurement Manager at the address listed in Section I.D.1. Proposals must be sealed and labeled on the outside of the package to clearly indicate that they are in response to the Request for Proposals for Tax Counsel Services RFP# C20-341-4000-14997. Proposals submitted by facsimile or other electronic means will not be accepted.

A public log will be kept of the names of all Offeror organizations that submitted proposals. Pursuant to NMSA 1978, § 13-1-116, the contents of proposals shall not be disclosed to competing potential Offerors during the negotiation process. The negotiation process is deemed to be in effect until the contract is awarded pursuant to this Request for Proposals. Awarded in this context means the final required SBOF signatures on the contract(s) resulting from the procurement has been obtained.

6. Proposal Evaluation

An Evaluation Committee will perform the evaluation of proposals. This process will take place as indicated in the sequence of events, depending upon the number of proposals received. During this time, the Procurement Manager may initiate discussions with Offerors who submit responsive or potentially responsive proposals for the purpose of clarifying aspects of the proposals. However, proposals may be accepted and evaluated without such discussion. Discussions SHALL NOT be initiated by the Offerors.

7. Selection & Notification of Finalists

The Evaluation Committee will select and the Procurement Manager will notify the finalist Offerors as per Section II.A, Sequence of Events, or as soon as possible. A schedule for the oral presentation and demonstration will be determined at this time if deemed necessary.

8. Best and Final Offers

Finalist Offerors may be asked to submit revisions to their proposals for the purpose of obtaining best and final offers as per schedule Section II.A, Sequence of Events, or as soon as possible. Best and final offers may also be clarified and amended at finalist Offeror’s oral presentation and demonstration.
9. **Oral Presentations (Optional)**

Finalist Offerors may be required to present their proposals to the Evaluation Committee on the dates specified in the Sequence of Events, which are subject to change. The Procurement Manager may schedule the time for each Finalist Offeror’s presentation. All Finalist Offeror presentations will be held in the Bataan Memorial Building, Santa Fe, New Mexico, depending on availability, or another site in Santa Fe, New Mexico, that may be designated by the Procurement Manager. Finalist Offerors should be prepared to explain verbally their understanding of this procurement and be prepared to answer questions concerning it. Each presentation should take approximately one (1) hour. Finalist Offerors are restricted to a maximum of three (3) presenters, one of which **must** be the main client representative who will be assigned to the contract.

10. **Recommendation to State Board of Finance and Contract Negotiations Approval Request**

The Procurement Manager anticipates presenting its recommendation to the SBOF on the dates specified in the Sequence of Events to authorize staff to finalize a Tax Counsel services contract with the most advantageous Offeror, subject to recommendation and signature by the SBOF and execution by the Contracts Review Bureau. This date is subject to change at the discretion of the SBOF.

11. **Contract Negotiations**

The contract will be finalized with the most advantageous Offeror between the dates specified in the Sequence of Events, which are subject to change at the discretion of the SBOF. In the event that mutually agreeable terms cannot be reached within the time specified, the SBOF reserves the right to cease negotiations with the most advantageous Offeror and proceed to negotiations with the next most advantageous Responsible Offeror(s) in an attempt to finalize a Contract based upon an alternate timetable without undertaking a new procurement process or reserves the right to cancel the RFP.

12. **Contract Awards**

After review of the Evaluation Committee Report and the signed contractual agreement, the Procurement Manager will award as per the schedule in Section II.A, Sequence of Events, or as soon as possible thereafter. This date is subject to change at the discretion of the State Purchasing Division or SBOF Procurement Manager.

The contract shall be awarded to the Offeror (or Offerors) whose proposals are most advantageous to the SBOF, taking into consideration the evaluation factors set forth in this RFP. The most advantageous proposal may or may not have received the most points. The award is subject to appropriate Department and State approval.

13. **Protest Deadline**

Any protest by an Offeror must be timely and in conformance with NMSA 1978, § 13-1-172 and applicable procurement regulations. As a Protest Manager has been named in this Request for Proposals, pursuant to NMSA 1978, § 13-1-172, ONLY protests delivered

5. Amended Proposals  
An Offeror may submit an amended proposal before the deadline for receipt of proposals. Such amended proposals must be complete replacements for a previously submitted
6. **Offeror’s Rights to Withdraw Proposal**

Offerors will be allowed to withdraw their proposals at any time prior to the deadline for receipt of proposals. The Offeror must submit a written withdrawal request addressed to the Procurement Manager and signed by the Offeror’s duly authorized representative.

The approval or denial of withdrawal requests received after the deadline for receipt of the proposals is governed by the applicable procurement regulations.

7. **Proposal Offer Firm**

Responses to this RFP, including proposal prices for services, will be considered firm for one hundred twenty (120) days after the due date for receipt of proposals or ninety (90) days after the due date for the receipt of a best and final offer, if the Offeror is invited or required to submit one.

8. **Disclosure of Proposal Contents**

   A. Proposals will be kept confidential until negotiations and the award are completed by the Agency. At that time, all proposals and documents pertaining to the proposals will be open to the public, except for material that is clearly marked proprietary or confidential. The Procurement Manager will not disclose or make public any pages of a proposal on which the potential Offeror has stamped or imprinted "proprietary" or "confidential" subject to the following requirements:

   B. Proprietary or confidential data shall be readily separable from the proposal in order to facilitate eventual public inspection of the non-confidential portion of the proposal.

   C. Confidential data is restricted to:

      - confidential financial information concerning the Offeror’s organization;
      - data that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, NMSA 1978 § 57-3A-1 to 57-3A-7.

      PLEASE NOTE: The price of products offered or the cost of services proposed **shall not be designated** as proprietary or confidential information.

If a request is received for disclosure of data for which an Offeror has made a written request for confidentiality, the State Purchasing Division or the Agency shall examine the Offeror’s request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the Offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of confidential data.
9. **No Obligation**
   
   This RFP in no manner obligates the State of New Mexico or any of its Agencies to the use of any Offeror’s services until a valid written contract is awarded and approved by appropriate authorities.

10. **Termination**
    
    This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the agency determines such action to be in the best interest of the State of New Mexico.

11. **Sufficient Appropriation**
    
    Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be effected by sending written notice to the contractor. The Agency’s decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

12. **Legal Review**
    
    The Agency requires that all Offerors agree to be bound by the General Requirements contained in this RFP. Any Offeror’s concerns must be promptly submitted in writing to the attention of the Procurement Manager.

13. **Governing Law**
    
    This RFP and any agreement with an Offeror which may result from this procurement shall be governed by the laws of the State of New Mexico.

14. **Basis for Proposal**
    
    Only information supplied, in writing, by the Agency through the Procurement Manager or in this RFP should be used as the basis for the preparation of Offeror proposals.

15. **Contract Terms and Conditions**
    
    The contract between an agency and a contractor will follow the format specified by the Agency and contain the terms and conditions set forth in the Sample Contract Appendix C. However, the contracting agency reserves the right to negotiate provisions in addition to those contained in this RFP (Sample Contract) with any Offeror. The contents of this RFP, as revised and/or supplemented and the successful Offeror’s proposal will be incorporated into and become part of any resultant contract.

    The Agency discourages exceptions from the contract terms and conditions as set forth in the RFP Sample Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and its evaluation team), the proposal appears to be conditioned on the exception or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.
Should an Offeror object to any of the terms and conditions as set forth in the RFP Sample Contract (APPENDIX C) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose specific alternative language. The Agency may or may not accept the alternative language. General references to the Offeror’s terms and conditions or attempts at complete substitutions of the Sample Contract are not acceptable to the Agency and will result in disqualification of the Offeror’s proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an explicit agreement by the Offeror that the contractual terms and conditions contained herein are accepted by the Offeror.

16. Multiple Contracts

Pursuant to the direction and decision of the Board of Finance, if an offeror is awarded the contract for tax counsel, that same offeror cannot be awarded a contract for bond counsel or any future contracts that may be awarded during the term of the tax counsel contract, as referenced in Section I.C.

17. Offeror’s Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Agency. Please see Section II.C.15 for requirements.

18. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the Agency and the Offeror selected and shall not be deemed an opportunity to amend the Offeror’s proposal.

19. Offeror Qualifications

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a responsive offer as defined in NMSA 1978, § 13-1-83 and 13-1-85.
20. Right to Waive Minor Irregularities
   The Evaluation Committee reserves the right to waive minor irregularities. The Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

21. Change in Contractor Representatives
   The Agency reserves the right to require a change in contractor representatives if the assigned representative(s) is (are) not, in the opinion of the Agency, adequately meeting the needs of the Agency.

22. Notice of Penalties
   The Procurement Code, NMSA 1978, § 13-1-28 through 13-1-199, imposes civil, misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

23. Agency Rights
   The Agency, in agreement with the Evaluation Committee, reserves the right to accept all or a portion of a potential Offeror’s proposal.

24. Right to Publish
   Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from the agency written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or agency contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror’s proposal or removal from the contract.

28. **Use of Electronic Versions of this RFP**

   c. Acknowledge receipt of any and all amendments to this RFP.

8. Be signed by the person identified in paragraph 2 above.

**32. Disclosure Regarding Responsibility**

A. Any prospective Contractor and any of its Principals who enter into a contract greater than sixty thousand dollars ($60,000.00) with any state agency or local public body for professional services, tangible personal property, services or construction agrees to disclose whether the Contractor, or any principal of the Contractor’s company:

   1. is presently debarred, suspended, proposed for debarment, or declared ineligible for award of contract by any federal entity, state agency or local public body;

   2. has within a three-year period preceding this offer, been convicted in a criminal matter or had a civil judgment rendered against them for:

      a. the commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) contract or subcontract;

      b. violation of Federal or state antitrust statutes related to the submission of offers; or
c. the commission in any federal or state jurisdiction of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violation of Federal criminal tax law, or receiving stolen property;

3. is presently indicted for, or otherwise criminally or civilly charged by any (federal, state or local) government entity with the commission of any of the offenses enumerated in paragraph A of this disclosure;

1. has, preceding this offer, been notified of any delinquent Federal or state taxes in an amount that exceeds $3,000 of which the liability remains unsatisfied. Taxes are considered delinquent if the following criteria apply.

a. The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge of the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

b. The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

c. Have within a three-year period preceding this offer had one or more contracts terminated for default by any federal or state agency or local public body.

B. Principal, for the purpose of this disclosure, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity or related entities.

C. The Contractor shall provide immediate written notice to the State Purchasing Agent or other party to this Agreement if, at any time during the term of this Agreement, the Contractor learns that the Contractor’s disclosure was at any time erroneous or became erroneous by reason of changed circumstances.

D. A disclosure that any of the items in this requirement exist will not necessarily result in termination of this Agreement. However, the disclosure will be considered in the determination of the Contractor’s responsibility and ability to perform under this Agreement. Failure of the Contractor to furnish a disclosure or provide additional information as requested will render the Offeror nonresponsive.

E. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the disclosure required by this document. The knowledge and information of a Contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

F. The disclosure requirement provided is a material representation of fact upon which reliance was placed when making an award and is a continuing material representation of the facts during the term of this Agreement. If during the performance of the contract, the Contractor is indicted for or otherwise criminally or civilly charged by any
government entity (federal, state or local) with commission of any offenses named in this document, the Contractor must provide immediate written notice to the State Purchasing Agent or other party to this Agreement. If it is later determined that the Contractor knowingly rendered an erroneous disclosure, in addition to other remedies available to the Government, the State Purchasing Agent or Central Purchasing Officer may terminate the involved contract for cause. Still further the State Purchasing Agent or Central Purchasing Officer may suspend or debar the Contractor from eligibility for future solicitations until such time as the matter is resolved to the satisfaction of the State Purchasing Agent or Central Purchasing Officer.

33. New Mexico Preferences

To ensure adequate consideration and application of NMSA 1978, § 13-1-21 (as amended), Offerors must include a copy of their preference certificate with their proposal. Upon the SBOF authorizing staff to negotiate with a successful Offeror, the SBOF may or may not accept any proposed alternative language.

- Two General Obligation Bond issuances are expected with par value of $199.2 million (public sale);
- One Revenue Bond issuance is expected each year of the four year contract with par value of $335.7 million each (public sale), each of which may include separate tranches of tax-exempt and taxable;

3. The Evaluation Committee may use other sources to perform the evaluation as specified in Section II. C.18.

4. Responsive proposals will be evaluated on the factors in Section IV, which have been assigned a point value. The evaluation process will occur in two phases.
a. **Phase I**: The Evaluation Committee will consider all specification *except* the cost proposal. The responsible Offerors with the highest scores will be selected as Phase 1 finalist Offerors, based upon the proposals submitted.

b. **Phase II**: The Evaluation Committee will consider the cost proposal of the Phase 1 finalists ONLY, and will identify the Offeror to be recommended for award.

The responsible Offerors whose proposals are most advantageous to the State taking into consideration the evaluation factors in Section IV and the evaluation as conducted across the two phases will be recommended for award (as specified in Section II.B.8). Please note, however, that a serious deficiency in the response to any one factor may be grounds for rejection regardless of overall score.

Pursuant to NMSA 1978, § 13-1-191.1 (2006), any person seeking to enter into a contract with any state agency or local public body for professional services, a design and build project delivery system, or the design and installation of measures the primary purpose of which is to conserve natural resources must file this form with that state agency or local public body. This form must be filed even if the contract qualifies as a small purchase or a sole source contract. The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two hundred and fifty dollars ($250) over the two year period.

Furthermore, the state agency or local public body shall void an executed contract or cancel a solicitation or proposed award for a proposed contract if: 1) a prospective contractor, a family member of the prospective contractor, or a representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official’s employees during the pendency of the procurement process or 2) a prospective contractor fails to submit a fully completed disclosure statement pursuant to the law.

THIS FORM MUST BE FILED BY ANY PROSPECTIVE CONTRACTOR WHETHER OR NOT THEY, THEIR FAMILY MEMBER, OR THEIR REPRESENTATIVE HAS MADE ANY CONTRIBUTIONS SUBJECT TO DISCLOSURE.

“Campaign Contribution” means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official’s behalf for the purpose of electing the official to either statewide or local office. “Campaign Contribution” includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

“Family member” means spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law.

“Pendency of the procurement process” means the time period commencing with the public notice of the request for proposals and ending with the award of the contract or the cancellation of the request for proposals.

“Person” means any corporation, partnership, individual, joint venture, association or any other private legal entity.

“Prospective contractor” means a person who is subject to the competitive sealed proposal process set forth in the Procurement Code or is not required to submit a competitive sealed proposal because that person qualifies for a sole source or a small purchase contract.

When requested, prepare and deliver to the SBOF the Contractors’ opinions relating to the federal and state income tax treatment of interest on bonds; the applicability of provisions of federal and state securities laws; the applicability of tax law provisions governing estate and gift taxation; eligibility of the bonds for investment by various fiduciaries and other regulated investors; exemption of the Resolution/Indenture from qualification under the Trust Indenture Act of 1939, as amended; and the status of the bond and related obligations under the United State Bankruptcy Code.

   F. Assist the SBOF’s financial advisor, disclosure counsel, bond counsel, and the SBOF in the preparation of a Preliminary Official Statement to be adopted by the SBOF at
the time any Notice of Bond Sale or sale resolution is to be considered relating to the prospective issuance of securities of the State of New Mexico.

G. Assist the SBOF’s financial advisor, disclosure counsel, bond counsel, and the SBOF in the preparation of an Official Statement describing the securities of the State of New Mexico to be delivered to the purchaser or purchasers immediately after the adoption of all bond resolutions by the SBOF.

J. Respond to inquiries and render advice relating to the tax-exempt status (and maintenance thereof) of tax-exempt securities of the State of New Mexico, including outstanding securities for which the Contractor did not serve as Tax Counsel.

D. The Contractor shall not bill the SBOF for overhead expenses. The Contractor is responsible for paying to the New Mexico Taxation and Revenue Department all gross receipts taxes levied on amounts paid under this Agreement.

E. Pursuant to NMAC 2.61.5.16(B), transaction review services of financings by other public entities which require SBOF approval provided to the SBOF under Scope of
Work 1(Q) above will be compensated at the hourly rate set forth in Compensation 2(B), and the public entity issuing the bonds or proposing a bond-related transaction for which the financing plan is being reviewed will be solely responsible for paying the fees and costs associated with the review, analysis and recommendation of the Contractor. The SBOF shall advise the public entity of its obligation to make, collect, guarantee or otherwise ensure any payments of any kind due to the Contractor by it under these provisions and the Contractor shall have no claim against the SBOF or the State if that public entity is delinquent in making or fails to make any such payments. All compensation under this paragraph shall be payable only for issuances that are ultimately closed (no costs shall be reimbursed if bonds are not closed).

F. All compensation under Paragraph 2(A) and issuance-related compensation under Paragraph 2(C) above shall be payable only for issuances that are ultimately closed (no costs shall be reimbursed if bonds are not closed). Such fees shall be paid from the bond proceeds of the bond issuance for which such fees and reimbursable expenses were incurred or such other funding sources authorized therefore by the New Mexico Legislature, as applicable. All fees and reimbursable expenses shall be billed by the contractor to the State and shall only be paid upon receipt by the SBOF of a detailed, certified statement of account. There shall be no additional fees or expenses and no separate billing presented to the SBOF for services rendered by any Subcontractor.

Within fifteen (15) days after the date the SBOF receives written notice from the Contractor that payment is requested for services or items of tangible personal property delivered on site and received, the SBOF shall issue a written certification of complete or partial acceptance or rejection of the services or items of tangible personal property. If the SBOF finds that the services or items of tangible personal property are not acceptable, it shall within thirty days after the date of receipt of written notice from the Contractor that payment is requested, provide to the Contractor a letter of exception explaining the defect or objection to the services or delivered tangible personal property along with details of how the Contractor may proceed to provide remedial action. Upon certification by the SBOF that the services or items of tangible personal property have been received and accepted, payment shall be tendered to the Contractor within thirty days after the date of certification. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. However, the SBOF shall not incur late charges, interest, or penalties for failure to make payment within the time specified herein.

G. All invoices must be received by the SBOF no later than fifteen (15) days after the termination of the contract. Invoices received after such date WILL NOT BE PAID.

3. **Term.**

   THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE GSD/SPD Contracts Review Bureau. This Agreement shall terminate on (DATE) unless terminated pursuant to paragraph 4 (Termination), or paragraph 5 (Appropriations).
In accordance with NMSA 1978, § 13-1-150, no contract term for a professional services contract, including extensions and renewals, shall exceed four years, except as set forth in NMSA 1978, § 13-1-150.

4. **Termination.**

   A. **Grounds.** The Agency may terminate this Agreement for convenience or cause. The Contractor may only terminate this Agreement based upon the Agency’s uncured, material breach of this Agreement.

   B. **Notice; Agency Opportunity to Cure.**

      1. Except as otherwise provided in Paragraph (4)(B)(3), the Agency shall give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

      2. Contractor shall give Agency written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the Agency’s material breaches of this Agreement upon which the termination is based and (ii) state what the Agency must do to cure such material breaches. Contractor’s notice of termination shall only be effective (i) if the Agency does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the Agency does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

      3. Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the Agency; (ii) if, during the term of this Agreement, the Contractor is suspended or debarred by the State Purchasing Agent; or (iii) the Agreement is terminated pursuant to Paragraph 5, “Appropriations”, of this Agreement.

   C. **Liability.** Except as otherwise expressly allowed or provided under this Agreement, the Agency’s sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor’s receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party’s liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. **THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE AGENCY’S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR’S DEFAULT/BREACH OF THIS AGREEMENT.**

   D. **Termination Management.** Immediately upon receipt by either the Agency or the Contractor of notice of termination of this Agreement, the Contractor shall: 1) not incur any further obligations for salaries, services or any other expenditure of funds under this Agreement without written approval of the Agency; 2) comply with all directives issued by the Agency in the notice of termination as to the performance of
work under this Agreement; and 3) take such action as the Agency shall direct for the protection, preservation, retention or transfer of all property titled to the Agency and records generated under this Agreement. Any non-expendable personal property or equipment provided to or purchased by the Contractor with contract funds shall become property of the Agency upon termination and shall be submitted to the agency as soon as practicable.

5. **Appropriations.**
The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the Legislature of New Mexico for the performance of this Agreement. If sufficient appropriations and authorization are not made by the Legislature, this Agreement shall terminate immediately upon written notice being given by the Agency to the Contractor. The Agency's decision as to whether sufficient appropriations are available shall be accepted by the Contractor and shall be final. If the Agency proposes an amendment to the Agreement to unilaterally reduce funding, the Contractor shall have the option to terminate the Agreement or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

6. **Status of Contractor.**
The Contractor and its agents and employees are independent contractors performing professional services for the Agency and are not employees of the State of New Mexico. The Contractor and its agents and employees shall not accrue leave, retirement, insurance, bonding, use of state vehicles, or any other benefits afforded to employees of the State of New Mexico as a result of this Agreement. The Contractor acknowledges that all sums received hereunder are reportable by the Contractor for tax purposes, including without limitation, self-employment and business income tax. The Contractor agrees not to purport to bind the State of New Mexico unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.

7. **Assignment.**
The Contractor shall not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the prior written approval of the Agency.

8. **Subcontracting.**
The Contractor shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of the Agency. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Agreement, nor shall any subcontract obligate direct payment from the Procuring Agency.

9. **Release.**
Final payment of the amounts due under this Agreement shall operate as a release of the Agency, its officers and employees, and the State of New Mexico from all liabilities, claims and obligations whatsoever arising from or under this Agreement.
10. **Confidentiality.**
Any confidential information provided to or developed by the Contractor in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of the Agency.

11. **Product of Service -- Copyright.**
All materials developed or acquired by the Contractor under this Agreement shall become the property of the State of New Mexico and shall be delivered to the Agency no later than the termination date of this Agreement. Nothing developed or produced, in whole or in part, by the Contractor under this Agreement shall be the subject of an application for copyright or other claim of ownership by or on behalf of the Contractor.

12. **Conflict of Interest; Governmental Conduct Act.**
   A. The Contractor represents and warrants that it presently has no interest and, during the term of this Agreement, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Agreement.

   B. The Contractor further represents and warrants that it has complied with, and, during the term of this Agreement, will continue to comply with, and that this Agreement complies with all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978. Without in anyway limiting the generality of the foregoing, the Contractor specifically represents and warrants that:
      1. in accordance with NMSA 1978, § 10-16-4.3, the Contractor does not employ, has not employed, and will not employ during the term of this Agreement any Agency employee while such employee was or is employed by the Agency and participating directly or indirectly in the Agency’s contracting process;
      2. this Agreement complies with NMSA 1978, § 10-16-7(A) because (i) the Contractor is not a public officer or employee of the State; (ii) the Contractor is not a member of the family of a public officer or employee of the State; (iii) the Contractor is not a business in which a public officer or employee or the family of a public officer or employee has a substantial interest; or (iv) if the Contractor is a public officer or employee of the State, a member of the family of a public officer or employee of the State, or a business in which a public officer or employee of the State or the family of a public officer or employee of the State has a substantial interest, public notice was given as required by NMSA 1978, § 10-16-7(A) and this Agreement was awarded pursuant to a competitive process;
      3. in accordance with NMSA 1978, § 10-16-8(A), (i) the Contractor is not, and has not been represented by, a person who has been a public officer or employee of the State within the preceding year and whose official act directly resulted in this Agreement and (ii) the Contractor is not, and has not been assisted in any way regarding this transaction by, a former public
officer or employee of the State whose official act, while in State employment, directly resulted in the Agency's making this Agreement;

4. this Agreement complies with NMSA 1978, § 10-16-9(A) because (i) the Contractor is not a legislator; (ii) the Contractor is not a member of a legislator's family; (iii) the Contractor is not a business in which a legislator or a legislator's family has a substantial interest; or (iv) if the Contractor is a legislator, a member of a legislator’s family, or a business in which a legislator or a legislator's family has a substantial interest, disclosure has been made as required by NMSA 1978, § 10-16-7(A), this Agreement is not a sole source or small purchase contract, and this Agreement was awarded in accordance with the provisions of the Procurement Code;

5. in accordance with NMSA 1978, § 10-16-13, the Contractor has not directly participated in the preparation of specifications, qualifications or evaluation criteria for this Agreement or any procurement related to this Agreement; and

6. in accordance with NMSA 1978, § 10-16-3 and § 10-16-13.3, the Contractor has not contributed, and during the term of this Agreement shall not contribute, anything of value to a public officer or employee of the Agency.

C. Contractor’s representations and warranties in Paragraphs A and B of this Article 12 are material representations of fact upon which the Agency relied when this Agreement was entered into by the parties. Contractor shall provide immediate written notice to the Agency if, at any time during the term of this Agreement, Contractor learns that Contractor’s representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor’s representations and warranties in Paragraphs A and B of this Article 12 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the Agency and notwithstanding anything in the Agreement to the contrary, the Agency may immediately terminate the Agreement.

D. All terms defined in the Governmental Conduct Act have the same meaning in this Article 12(B).

13. Amendment.

A. This Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the Agency proposes an amendment to the Agreement to unilaterally reduce funding due to budget or other considerations, the Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Agreement, pursuant to the termination provisions as set forth in Article 4 herein, or to agree to the reduced funding.
14. **Merger.**
   This Agreement incorporates all the Agreements, covenants and understandings between
   the parties hereto concerning the subject matter hereof, and all such covenants, Agreements
   and understandings have been merged into this written Agreement. No prior Agreement or
   understanding, oral or otherwise, of the parties or their agents shall be valid or enforceable
   unless embodied in this Agreement.

15. **Penalties for violation of law.**
   The Procurement Code, NMSA 1978 §§ 13-1-28 through 13-1-199, imposes civil and
   criminal penalties for its violation. In addition, the New Mexico criminal statutes impose
   felony penalties for illegal bribes, gratuities and kickbacks.

16. **Equal Opportunity Compliance.**
   The Contractor agrees to abide by all federal and state laws and rules and regulations, and
   executive orders of the Governor of the State of New Mexico, pertaining to equal
   employment opportunity. In accordance with all such laws of the State of New Mexico, the
   Contractor assures that no person in the United States shall, on the grounds of race, religion,
   color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical
   condition, spousal affiliation, sexual orientation or gender identity, be excluded from
   employment with or participation in, be denied the benefits of, or be otherwise subjected
   to discrimination under any program or activity performed under this Agreement. If
   Contractor is found not to be in compliance with these requirements during the life of this
   Agreement, Contractor agrees to take appropriate steps to correct these deficiencies.

17. **Applicable Law.**
   The laws of the State of New Mexico shall govern this Agreement, without giving effect
   to its choice of law provisions. Venue shall be proper only in a New Mexico court of
   competent jurisdiction in accordance with NMSA 1978, § 38-3-1 (G). By execution of this
