Concise Explanatory Statement For
Rulemaking Adoption:
Findings required for rulemaking adoption:

Findings MUST include:
- Reasons for adopting rule, including any findings otherwise required by law of the agency, and a summary of any independent analysis done by the agency;
- Reasons for any change between the published proposed rule and the final rule; and
- Reasons for not accepting substantive arguments made through public comment.

Current NMAC 2.20.2.7 defines "signed" to mean an individual's manual signature, and NMAC 2.20.2.9 requires agencies to submit the original, signed version and a copy of every contract, voucher, travel voucher, purchase order or other financial commitment required to be submitted to the Department of Finance and Administration ("Department"). The Department has determined that these requirements are unduly burdensome to state agencies, particularly in light of the ongoing COVID-19 pandemic and work-from home environment of most state employees. The emergency amendments change the definition of "signed" to include digital signatures and change the submission requirements to address digital signatures.

The time required to comply with the rulemaking procedures of the State Rules Act would cause an imminent peril to the public health, safety, and welfare. Since most state employees are currently working from home, it is exceedingly difficult to obtain original, manual signatures on the documents submitted to the Department. For contracts that require multiple signatures, it can take weeks to complete a process that could be done in days if digital signatures were permitted. It is in the best interest of state finances, and accordingly of the public welfare, that the Department make this rule change as soon as possible. Given the expenditures required for numerous state agencies to respond to COVID-19, complying with the ordinary rulemaking procedures of the State Rules Act would also threaten public health and safety.

Additionally, the requirement to submit original, manually signed documents increases the number of potential contacts between state employees, which could result in the increased transmission of COVID-19 among individuals. Allowing agencies to submit electronic documents with digital signatures, and doing so as soon as possible, is necessary to keep this level of person-to-person contact to a minimum, thereby enforcing social distancing standards and better protecting public health.

This emergency rule is temporary, pursuant to the provisions of NMSA 1978, section 14-4-5.6, unless and until the Department enacts a permanent rule under the normal rulemaking process. Given the emergency nature of this rule, the Department is not accepting substantive arguments made through public comment at this time. The entire rule was repealed and replaced, consistent with Subsection C of 1.24.11.9 NMAC.

TITLE 2    PUBLIC FINANCE
CHAPTER 20 ACCOUNTING BY GOVERNMENTAL ENTITIES
PART 2    EXECUTION OF CONTRACTS, VOUCHERS, PURCHASE ORDERS AND OTHER
          FINANCIAL COMMITMENTS

2.20.2.1 ISSUING AGENCY: Department of Finance and Administration.
[Recompiled 10/1/01; N/E 8/25/2020]

2.20.2.2 SCOPE: [RESERVED]
[Recompiled 10/1/01; N/E 8/25/2020]

2.20.2.3 STATUTORY AUTHORITY: In order to ascertain the authority and legality of contracts,
purchase orders, vouchers, travel vouchers and other financial commitments for departments and other state
agencies, pursuant to Section 6-5-3 NMSA 1978, it is necessary to determine whether the person executing the
contract has been properly delegated the authority to bind the department or state agency. In many instances there
is no clear statutory power granted to an officer to sign on behalf of an agency. Generally the person who is ultimately
responsible for the administration of the law has the implied power to execute legal documents for a state agency.
Generally the power to execute may be delegated; however, some laws may require specific officers to execute
contracts and vouchers on behalf of the agency. In such cases, no delegation is allowed by law.
[Recompiled 10/1/01; N/E 8/25/2020]

2.20.2.4 DURATION: Permanent.
[Recompiled 10/1/01; N/E 8/25/2020]

2.20.2.5 EFFECTIVE DATE: August 25, 2020
[Recompiled 10/1/01; N/E 8/25/2020]

2.20.2.6 OBJECTIVE: The various acts creating departments pursuant to the Executive Reorganization
Acts generally provide that the secretary of the department is responsible to the governor for the operation of the
department and shall delegate authority to subordinates as the secretary deems necessary and appropriate, clearly
delineating such delegated authority and the limitations thereto. It is the purpose of this rule to set forth those
individuals who may legally bind state agencies which must submit their contracts or vouchers to the department of
finance and administration.
[Recompiled 10/1/01; N/E 8/25/2020]

2.20.2.7 DEFINITIONS: As used in this rule:
A. “authorized officer” means a public officer or employee who is required or permitted by law or by
lawful delegation of authority pursuant to this rule to sign contracts, vouchers, purchase orders or other financial
commitments on behalf of a state agency;
B. “contracts officer” means an employee of the department of finance and administration designated
as contracts officer by the secretary of finance and administration;
C. “facsimile signature” means a reproduction by engraving, imprinting, stamping, or other means of
the manual signature of the authorized officer;
D. “signed” or “executed” means affixed with any of the following:
   (1) the manual signature of an individual;
   (2) the facsimile signature of an individual;
   (3) the electronic signature of an individual procured through a third-party document-signing
service; or
   (4) the name of an individual, typewritten on the signature line of a document using word
processing software and accompanied with another writing confirming that individual’s approval of such document,
including without limitation an e-mail to that effect.
E. “state agency” means the state of New Mexico or any of its branches, agencies, departments,
boards, instrumentalities, or institutions required to submit contracts or vouchers to the department of finance and
administration for approval.
[Recompiled 10/1/01; N/E & A/E, 8/25/2020]
2.20.2.8 EXECUTION OF CONTRACTS, VOUCHERS AND PURCHASE ORDERS - AUTHORIZED SIGNATURES:

A. The department of finance and administration will not approve any contract, voucher, travel voucher, purchase order or other financial commitment of any state agency required pursuant to DFA rule 78-6 Amendment No. 1, [now 2.20.3 NMAC] and 87-1 Amendment No. 1 [now 2.40.2 NMAC], to submit its voucher or contract to the department for approval unless the contract, voucher, travel voucher, purchase order or other financial commitment has been executed by an authorized officer of the agency.

B. The authority to execute contracts, vouchers, purchase orders, travel vouchers or other financial commitments may be delegated unless provided otherwise by law to any officer or employee of the state agency, but such delegation shall:

(1) be in writing;
(2) state whether the delegated power may be subdelegated to another officer or employee of the state agency;
(3) automatically terminate on whichever date occurs earliest;
(a) the date the term of office of the delegating secretary or other chief financial officer ends; or
(b) annually on June 30; and
(4) be on file with the contracts officer of the department of finance and administration (for contracts); and
(5) be on file with the financial control division of the department of finance and administration.

C. A written delegation of authority to execute contracts, vouchers, travel vouchers, purchase orders or other financial commitments may contain such limitations or conditions as the delegating authorized officer may deem appropriate.

D. No authorized officer shall delegate to any other person authority to sign the authorized officer's signature.

E. Nothing in this rule shall prevent the use of facsimile, printed or typed signature of the secretary or chief financial officer on a copy of a contract, voucher, travel voucher, purchase order or other financial commitment.

[Recompiled 10/1/01; N/E 8/25/2020]

2.20.2.9 SIGNATURES REQUIRED: The two copies of every contract, voucher, travel voucher, purchase order or other financial commitment required to be submitted to the department shall be signed by an authorized officer. The department will retain at least one signed copy of every contract, voucher, travel voucher, purchase order or other financial commitment. Alternatively, agencies may submit a single electronic version, in portable document format (PDF) or a comparable format and in such a manner as the department may direct, of an executed contract, voucher, travel voucher, purchase order or other financial commitment required to be submitted to the department.

[Recompiled 10/1/01; N/E & A/E 8/25/2020]

2.20.2.10 AUTHORIZED OFFICERS - DELEGATION:

A. The following public officers are authorized to execute contracts, vouchers, purchase orders and other financial commitments on behalf of the state agency under their control or supervision. Signatures must be on file at the financial control division of the department of finance and administration.
