### **ICIP Capital Project Description**

Year/Rank: 2022-001	Priority: High	Class:	New	
Project Title: San Jua	n SWCD Office Building	Type/Subtype:	Facilities - Adn	ninistrative Facilities
Contact Name: Melissa	May	<b>Contact Phone:</b>	5052346040	Contact E-mail: melissa.may@sanjuanswcd.com
Total project cost:	1,433,000			Proposed project start date: August 2019
Project Location:	301 McWilliams Road Aztec, NM 87410			Latitude: 36.836508 Longitude: -108.019504
Legislative Language:	To plan, design, construct, equip, and furnish an office and Water Conservation District located in Aztec in Sa	0 0 0	with parking, lan	dscaping, and outdoor classroom for the San Juan Soil
Scope of Work:	San Juan SWCD proposes to plan, design, construct, e Full plan is for a 2550 sq. ft. constructed office building District offices and lease additional space to other agen	g, 2000 sq. ft. pre-fab	garage, and asph	alt parking lot with landscaping. Building will house

District offices and lease additional space to other agencies. Leases will cover operating expenses and will provide a long-term stable income for the District, which currently relies on grant funding. Garage will provide safe storage of vehicles and equipment which is not available at current office location. Outdoor classroom will showcase erosion control practices and native plants. Land acquisition, environmental clearances, archaeological studies, and initial planning were completed using local funds. Phase 1 (complete): Capital outlay funds used to complete design including construction documents for all project phases. Phase 2 (fully funded): Construct office building, landscaping, parking, and vehicle storage area. Furnish and equip office, including office furniture, bathroom fixtures, tables and chairs for conference room, appliances for break room, and computer network equipment. Phase 3: Construct maintenance building and outdoor classroom.
