Capital Outlay	Capital outlay funds are used to build, improve or equip physical property that will be used by the public. Roads, computers, museums, playgrounds, schools, irrigation ditches, hospitals, lands, and furniture can all be capital outlay projects. In New Mexico, state capital outlay is authorized by the Legislature and generally is nonrecurring – one-time – money. Because of provisions in the New Mexico Constitution, capital outlay can only be used for government-owned facilities.
General Obligation Bonds	Legislative appropriations either state general funds, state general obligation bonds for severance tax bonds.
