Application Requirements

Application must demonstrate that 100% of funding for total project costs have been secured.

A grant agreement will be executed between the Local Government Division and the local or tribal government.

Grant funds will be dispersed upon a grant agreement being executed, and a pay request for the funds being received by the grantee.

Reporting of how the funds were expensed to include which grants were applied to using the matching funds and if the grant funds were awarded.

Application Requirements

Applicants must list the project on their ICIP for which they are seeking matching funds.

One application per entity.

The Local Government Division of the Office of Finance and Administration will contact awardees.

Thank you
