

Transforming Communities Through Innovative Financing

Mark your calendars and join your colleagues at this year’s NM Infrastructure Finance Conference at the Las Cruces Convention Center on October 18-19.

The 26th NMIFC will include informative sessions on planning and financing infrastructure projects, plus provide an opportunity to network with your peers from around the state to share ideas, find out what has worked and what didn’t, and enjoy the camaraderie of others working to improve the quality of life in New Mexico.

Registration and sponsorship opportunities are available at <http://www.nmifc.com/>.

We look forward to seeing you in Las Cruces!

The New Mexico Infrastructure Finance Conference (NMIFC) was created to help support the planning and funding of sustainable infrastructure projects throughout New Mexico.
