MEMORANDUM

TO:

Agency Chief Financial Officers

FROM:

Heather Kent, Cash Control Bureau Chief, Financial Control Division

Department of Finance and Administration

DATE:

October 21, 2025

SUBJECT: Authority to Issue Warrants

Under section 6-5-9 NMSA 1978, the Secretary of the Department of Finance and Administration may authorize state agencies to issue warrants and exempt state agencies from the requirement of prior submission of proposed vouchers, purchase orders or contracts to the Financial Control Division as required under Section 6-5-3 NMSA 1978. As required under statute, DFA has established the conditions and standards that agencies must meet in order to be eligible to issue warrants or be exempted from submissions of proposed vouchers, purchase orders or contracts. Procedures related to the application and conditions of approval are contained in NMAC rule 2.20.6.

Authorization must be requested by completing and returning Attachment II, Request for Authority to Issue Warrants, to the DFA Cabinet Secretary. This submission will describe in detail the reasons why efficiency or economy will be better served by the State agency issuing warrants or waving the prior submission requirements. This memorandum serves as a reminder that requests for fiscal year 2027 (July 1, 2026 – June 30, 2027) are due December 31, 2025. Please note that DFA can only accept requests bearing the signature of the cabinet secretary or agency head in office as of December 31. For your reference, Attachment I, contains a listing of approved requests for FY26.

A submission will not be deemed complete, unless it contains a detailed report describing how your agency complied with each of the eleven standards and conditions outlined in rule 2.20.6 during the past calendar year (January 1, 2025 – December 31, 2025, see enclosed rule template).

Section MIS11 of the Fiscal Year 2025 Closing Instructions and Attachment A - Year End Summary of Deadlines published by the Financial Control Division of the Department of Finance and Administration (DFA), provides additional process background and instructions for agencies seeking the authority to issue warrants or exceptions from the requirement of prior submission of financial documents.

MAPs Fin 2.9 was updated in FY25. Please review to ensure requests meet all requirements.

Please address your report to the DFA Cabinet Secretary, Wayne Propst, in care of Heather Kent, Cash Control Bureau Chief, Financial Control Division. The request form for fiscal year 2027 and report on compliance for calendar year 2025 are due at DFA by December 31, 2025. If you have any questions or if you anticipate problems meeting the deadline, please email me at Heather.Kent@dfa.nm.gov. The request should be sent to the cash.control@dfa.nm.gov email address.
