**NOTICE OF RULEMAKING**

The Department of Finance and Administration has scheduled a public hearing for the proposed repeal of New Mexico Administrative Code (NMAC) rule 2.40.2, *Governing the Approval of Contracts for the Purchase of Professional Services.* The purpose of the hearing is to take public comment regarding the proposed repeal of 2.40.2 NMAC in its entirety.

Laws 2019, Chapter 153 (originating as Senate Bill 88) enacted the transition of the Contracts Review Bureau (CRB) from the Department of Finance and Administration (DFA) to the General Services Department (GSD). After that transition, the regulatory framework governing professional services contracts, formerly codified at 2.40.2 NMAC under the Department of Finance and Administration, was renumbered to 1.4.10 NMAC within the General Services Department chapter of the New Mexico Administrative Code. Because the Contracts Review Bureau and its authority to review and approve state agency professional services contracts now reside in the General Services Department under 1.4.10 NMAC, Title 1, Chapter 4, Part 10, *Governing the Approval of Contracts for the Purchase of Professional Services*, the Department of Finance and Administration no longer administers this subject matter, and 2.40.2 NMAC is obsolete. The Department therefore proposes to repeal 2.40.2 NMAC in its entirety. This is a repeal only; the professional services contract review requirements remain in effect under 1.4.10 NMAC as administered by the General Services Department, and this action changes no substantive requirement.

Hearing Date: December 18, 2026 at 11:00 a.m.
Adoption Date: Proposed as December 18, 2026
Effective Date: Proposed as January 13, 2027
